3.9A Issuing a Fiat-Referenced Token

3.9A.1 An Applicant for a Financial Services Permission to carry on the Regulated Activity of Issuing a Fiat-Referenced Token must pay to the Regulator an application fee of \$70,000.

3.9A.2 An Authorised Person with a Financial Services Permission to carry on the Regulated Activity of Issuing a Fiat-Referenced Token must pay to the Regulator an annual supervision fee of \$70,000.

...

Guidance

The table below provides a summary of the fees for applications and supervision where a Regulated Activity is carried out on a standalone basis. Where more than one Regulated Activity is carried out Section 3.2 and the relevant Rule(s) in Chapter 3 provide details of the binding requirements and the appropriate treatment.

Section(s)	Application (\$k)	Supervision (\$k)	Group	Regulated Activity
